**3MBS Melbourne 103.5FM** is an inclusive and innovative community broadcaster that strives for the highest quality in programming and presenting of classical music, and in supporting and promoting local artists and performances. The station delivers a diverse range of classical, jazz and genre-related programs to over 170,000 weekly listeners, 24 hours a day on three bands: 103.5FM, 3MBS Digital and online. 3MBS is a not-for-profit community broadcaster that does not receive operational government funding. Revenue is generated primarily through private giving, Trusts and Foundations, sponsorship, subscriptions, and live performances. The team consists of a small number of paid staff and approximately 200 dedicated volunteers who work to ensure the station's operations for the benefit of the community.
